

Chickasaw Nation WIC is Coming to You

WIC celebrates amazing families like you!

Because your family comes first, WIC is here to support you in your child's development. We know you are balancing a lot, so we are bringing services to you. If you are pregnant, a caregiver or parent with children under 5, you can get support, encouragement, nutritious food and more. **Give your baby the best start.**

The van is perfect for:

- New applicants in areas without a Chickasaw Nation WIC office
- Families with difficulties getting to the WIC office
- Opportunities for making up missed appointments

This federally funded program is open to both Native and Non-Native families.

Monthly dates and locations (see back)

Call for more details or to schedule an appointment.
